

SANIBEL

Tough Enough for the Sea. Smooth Enough for the Ride.

Named after Florida's seashell-speckled gem, Sanibel is marine vinyl that's as easy on the eyes as it is hard on wear. With a subtle leather-like grain and 19 breezy colorways, it's made for life on deck—and built to outlast it.

19 colorways include:

- Sharkskin
- Atlantic
- Bisque
- Cream
- Glacier
- Moon
- Seaform White
- Storm
- Sunrise
- Sunset
- White
- Off White
- Sea Chalk
- Orange
- Blue
- Ocean Blue
- Coffee
- Teal
- Charcoal

Specifications

- Mildew-resistant topcoat? Check.
- 1,000 hours of lightfastness? You bet.
- Cold crack rated to -25°F and flame retardant? Absolutely.
- 30,000 double rubs without flinching? That too.
- So go ahead—soak up the sun, spray, and sea. Sanibel can handle it.
