## Morbern Covid-19 Update

Dear Valued Customer:

To assist with the “flattening of the curve” and to slow the spread of the Covid-19 virus, Morbern’s Canadian production facilities will close this Friday, re-opening the facilities on Monday, April 13, 2020.

Morbern has been designated an essential business and as such, our extensive distribution network will remain open and committed to service its customer base. All sales support personnel will be available through normal communication channels such as phone and email. If you have any questions, do not hesitate to contact your dedicated Sales Support Associate.

We are thankful for our loyal customers and dedicated employees during these trying times.

Best Regards,

*John McGinnis*
