# Marine/RV Collection

# Mink

## Specifications

Weight: 33 +/- 2.0 ounces per linear yard

Thickness: 45 +/- 5.0 mils

Roll Width: 54 inches

Roll Length: 30 yards

1000 Hours Weatherometer Resistance

Mildew Resistant

Cold Crack: -25°

## Abrasion Resistance:

Wyzenbeek test method:

CFFA-1a #10 Cotton Duck;

250,000 Cycles Pass: No significant wear

## Recommended Applications

Interior or Exterior; Seating  
& Trim Applications

Healthcare Seating

Hospitality Seating

Conference Room Seating

Home Office Seating

Executive Seating

Hotel/Motel Seating

Foyer and Lounge Seating

## Content

Vinyl

## Backing

100% Polyester

## Flame Resistance

Manufactured to meet the following  
flammability\* requirements:

Cal TB 117-2013 (Section 1-Cover Fabric)

NFPA 260, UFAC Class 1

IM0 MSC 88/26/ADD. 2 PART 8 (3.1 and 3.2)

Title 49 CFR, Chapter V, Section 571.302

(FMVSS 302)

\*This term and corresponding data refer to the typical performance in the specific test indicated. They should not be construed to imply the behavior of this or any other material under actual fire conditions.

Note: The information stated is, to the best of our knowledge, accurate. It is offered for verification and reference purposes only. Morbern, Inc. provides no warranty and assumes no liability for actual reliance on this information.

## Care and Cleaning Instructions

To prevent buildup of dirt and contaminants, which may cause permanent staining, periodic cleaning is highly suggested. The frequency of cleaning is dependent upon the environmental conditions the material is subjected to.

For normal cleaning: most common stains can be cleaned using warm, soapy water and clear water rinses. Moderate scrubbing with a medium bristle brush will help loosen soiling materials from the depressions of embossed surfaces. For more stubborn stains, use Formula 409® commercially available mild detergent† in accordance with the manufacturer's instructions.

Note: Detergent should never be used on a regular or repeated basis for normal cleaning. Morbern recommends repeated rinsing with clear water after any cleaning procedure.

†When opening a new container, please test the cleaner in an inconspicuous area as a cleaner manufacturers may change formula without notice.

Morbern cannot be responsible when unknown changes are made by the manufacturer of the cleaner to their formulations.

††Caution: Exercise care as these solvents are flammable. Use only small quantities of solvents and keep clear of any sources of ignition. Wear protective gloves and ensure cleaning takes place in a well ventilated area.
