Morbern inc
80 Boundary Road
Cornwall, ON K6H5V3 Canada

Dear Mark,

Through the U Trust[®] verification program, using Fiberprint[®] technology, Unifi is pleased to advise you that the following sample as referenced below has passed the REPREVE[®] Certification Standards:

Fabric Number: 2.9 Terry Loop
Program: Scrim Fabric
Content: 100% REPREVE Recycled Polyester
Structure/Construction: Knit Circular, Terry
Yarn Information: 1|150|34|56TPC|NAT|SET|NON TS|POLY|REPREVE
1|70|34|56TPC|NAT|SET|NON TS|POLY|REPREVE

Comments: Natural

REPREVE[®] Certification Number: RPV-28351

Issue Date: 2/10/2023 Expiration Date: 2/10/2024

*Note: This certification covers the period of one year. Re-certification is required for active programs on an annual basis.

Unifi Manufacturing, Inc. is excited to be working with your company and we look forward to additional new programs.

This certification is provided as of the date written above and for the sole and exclusive benefit of the recipient identified above, and it may not be relied upon by any third party. This certification relates only to the sample identified above and does not extend to any other product(s) or material(s). This certification is void if doctored, mutilated, forged or otherwise altered or amended in any respect.

U Trust[®] verification does not warranty the content or performance of any product beyond the submitted sample. *It is the responsibility of the Brand/Retailer to verify production orders have received the U Trust[®] Certification.*

Best regards,

Barbara Tysinger
