

Ever wonder what to clean your boat with? Look no further. Below is a complete list of approved cleaners for Morbern products commonly used in a wide variety of settings, including marine.

Morbern Products:

Seabrook | Protégé | Prodigy | Bayside | Bayside Koolfab™ | Sandpiper | Voyager | Sanibel | Mink

In most cases, stains can be easily removed using warm, soapy water followed by a clear water rinse. For textured or embossed surfaces, moderate scrubbing with a medium-bristle brush can help lift dirt from crevices. For more stubborn stains, use one of the recommended commercial cleaners listed below, following the manufacturer's instructions.

Approved Cleaners:

- Boat Bling Condition Sauce
- Boat Bling Vinyl Sauce
- Boat Bling Green Sauce
- Boat Bling Mild Soap
- 3M Vinyl Cleaner, Conditioner, and Protector
- 3M Vinyl Cleaner & Restorer
- Starbrite Ultimate Vinyl Clean
- Boater's Edge Mildew Stain Remover
- Starbright Ultimate Vinyl Guard
- X-14 Mildew Stain Remover
- Armour All Leather Care
- Mothers VLR Vinyl-Leather-Rubber Cleans, Conditions & Protects

Morbern evaluates all recommended cleaners in laboratory conditions specified in ASTM D 1308 and CFFA 141. However, many factors outside of Morbern's control can influence the effectiveness and compatibility of cleaners on vinyl surfaces including recommended products. Morbern strongly recommends testing the selected cleaner in an inconspicuous area prior to using any product.
