

CFFA-HC-201 Certified Products

Vinyl-Coated & Other Coated Upholstery Fabrics — Healthcare Standard

morbern.com

CFFA

CFFA-HC-201 Certification

The Chemical Fabrics and Film Association (CFFA) certification program verifies coated fabrics meet 16 rigorous performance tests — including resistance to stains, disinfectants, and wear — specifically designed for demanding healthcare environments. Products must pass all tests through an accredited laboratory to achieve certification.
